Burglary Prevention Trends

**Amateurs look for opportunity —
an open window or a door that is ajar.**

**Semi-professional burglars case
houses. They may drive back and forth
for a week, or bicycle through a
neighborhood to pick the “right” house
— a property that seems vulnerable to
break-in or forced entry.**

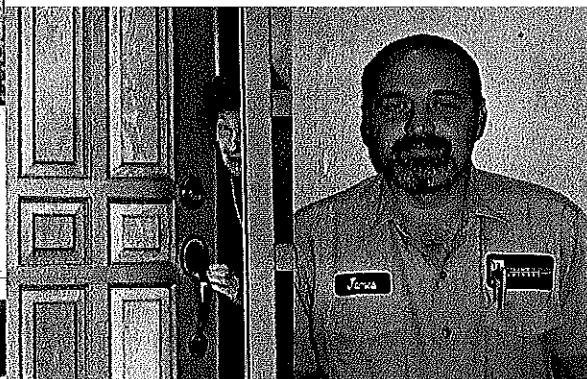

EASY TARGET

Burglars don't waste time. Thefts occur in a matter of minutes, so lock your doors and arm your security system, even if you are leaving the house to drive your child to school or run a quick errand."

Surveys

Tool: Nextdoor.com

The screenshot shows the Nextdoor.com interface for the Lyndale neighborhood. At the top, there's a navigation bar with links like Home, Neighbors, Recommendations, Buy/Sell/Free, Crime/Safety, Groups, Move, Invite, and a user profile for Jose. A search bar is also present. Below the navigation bar, there's a map of the Lyndale area with a red pin indicating the user's location. To the right of the map, there's a 'Recent Activity' section with a text input field for writing a message to neighbors and a list of recent posts. One post is from Xo Martinez, a resident since 2001, asking for recommendations for a car. Another post is from Robert Dold, asking for parking tickets. At the bottom, there's a 'Your groups' section with a list of groups like 'Parenting, schools, or schools', 'Gardening, pet ownership, or activities', and 'Neighborhood Watch block group'.

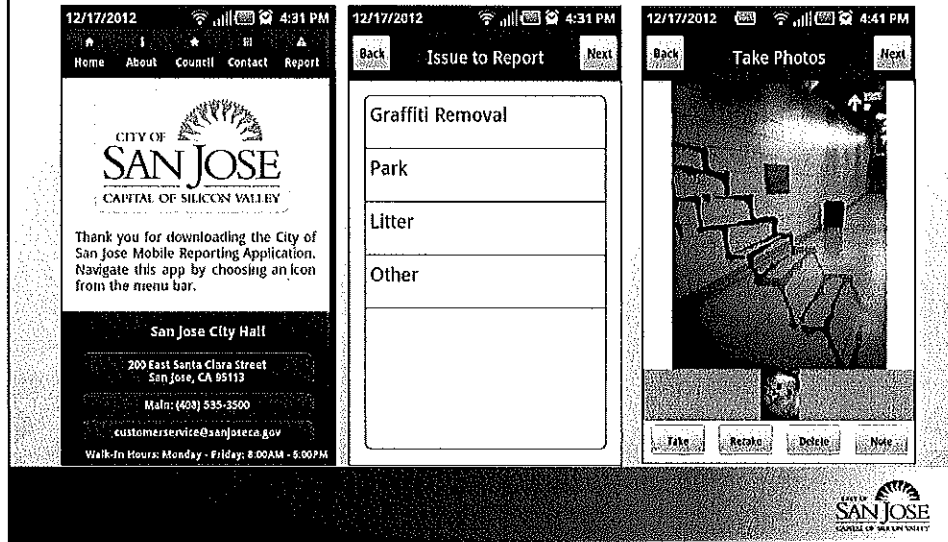

Tools: Flyer/Newsletter & Surveys

The image shows two flyers from the Lyndale Neighborhood Association. The top flyer is titled 'LNA NEWS' and is dated October 2012. It contains information about the next LNA meeting on October 17, 2012, at 6:30 p.m. at Lyndale Elementary School. The agenda includes a presentation on Neighborhood Safety and Volunteer Recognition. There is also a section titled 'DID YOU KNOW?' with information about the LNA's website and a link to the LNA Board. The bottom flyer is titled 'LNA NEIGHBORHOOD SURVEY' and is dated 2012. It contains a survey form with questions about the neighborhood's biggest problem, positive changes, and volunteer opportunities. The survey is titled 'Trying to make a difference' and includes a list of volunteer roles: Watering (Sunshine) committee, Clean-Up, Deliver monthly newsletters, and Other.

Tool: "San Jose Clean" app

Tool: Neighborwalk

A group of neighbors walk through the neighborhood to identify issues

On behalf of the Lyndale Neighborhood Association, I would like to ask for your help to address the issues listed below. In late October, a group of us went on a walk in part of our neighborhood, in the tradition of NeighborWalk, to identify some problem areas in our community. Here are the issues that we would like addressed:

1. Trim trees: corner of East Hills and Lyndale Ave.
2. No parking signs on poles and signs concealed: on Florence Ave. at Lyndale Ave.
3. Street light out: north Lyndale Ave.
4. A backflow valve needs to be covered/locked: on Rose Ave. at Nancy Lane.
5. Street light out: Nancy Lane: in the playground area. The bark needs cleaning, too.
6. We need a sidewalk on the north side of Florence Ave. near Capitol Ave.
7. We need a sidewalk on the south side of Florence Ave. between Lyndale Ave. and White Road.

We deeply appreciate any help that you can give us on these projects. If you could give us an update at our next meeting, that would be great. As you know, our next meeting will be on Wednesday, February 27, 2013 at the Lyndale Elementary School. Please note that this meeting is on the 4th Wednesday and not the usual 3rd Wednesday of the month. We hope you can join us.

Sincerely,

Events, Meetings, Recognition
